The borrower can repay the loan earlier than stipulated by the payment schedule without incurring penalties. Upon early repayment, together with the reduction of the principal, the borrower's total credit expenses (interest, other fees) are reduced proportionally, except for the cases when the payer submits a different written order. Penalties and other fees incurred as a result of failure to properly fulfill obligations stipulated by the RA legislation and the loan contract, as well as the fees defined by the Article 15 of the RA Law on Consumer Credit are not reduced. Upon full early repayment of the loan, the borrower pays the service fees and other charges, interest and principal amounts calculated as of the payment date.

Payments for future months can be made in advance by submitting a written order. Repayments for each upcoming month are made in the following order: 1) service fees and other charges, 2) interest, 3) principal.

WARNINGS AND PENALTIES

- In case the borrower breaches the contractual obligations, FINCA may change the interest rate of the loan following the order provided by the contract and the terms constituting an integral part of the contract.**
- In case of failure to fulfill the contractual obligations according to the payment schedule, the borrower is obligated to pay a **PENALTY** for each overdue day in the amount of: 1) **0.13%** of the overdue principal, 2) **0.13%** of the overdue interest.
- If the borrower fails to repay the principal on time, application of the contractual interest rate towards the overdue amount is terminated and a **24% annual interest rate** is applied from the day of breaching the schedule till the loan repayment date. If the amount paid is not sufficient to cover all overdue obligations, the creditor's expenses incurred in efforts to receive the due payments from the borrower are paid first, followed by the service fees, penalties, interest and principal. This order may change per the creditor's decision based on the borrower's written request.
- In case of failing to fulfill your loan obligations, this information is sent to the credit bureau where your credit history is formed. Bad credit history can prevent you from receiving a new loan in the future.**
- In case of not fulfilling your loan obligations on time, your property may be confiscated in accordance with the law.**
- If the collateral is insufficient to cover loan obligations when repaying them at the expense of the collateral, payments are made at the expense of your other property.**
